PSW Embraces Continuous Improvement with Third-Party Assessment Launch

مستقل بہتری کو اپناتے ہوئے ہی ایس ڈبلیو کی جانب سے تھرڈ پارٹی اسسمنٹ

Upholding its commitment to exceptional service, PSW recently launched a third-party assessment with Ipsos-Reenergia. The single window assessment will gauge our success in making trade faster, cheaper & easier and identify areas for improvement. This will be one of the first assessments of any country's National Single Window (NSW) since the formal release of the SWAM (Single Window Assessment Methodology). It will greatly help explore whether the Single Window initiative in Pakistan delivers the intended benefits to its users. Global trade experts, single-window specialists, and consultants present at the launch event commended PSW's CEO & leadership team for taking the initiative to launch the assessment.

Transitioning WeBOC to PSW: A step towards enhanced efficiency in trade operations

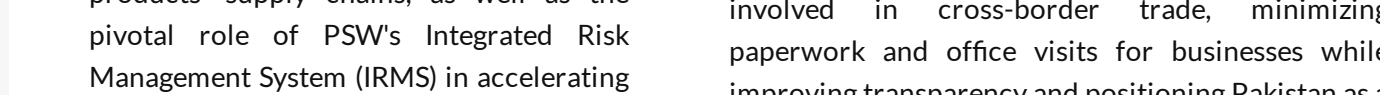

ویبوک سے ہی ایس ڈبلیو میں منتقلی: تجارتی آپریشنز میں بہتری کیلئے ایک اہم قدم

PSW's Chief Domain Officer, Naveed Abbas Memon, was featured on NewsOne's program, Focus: Economy Today, where he highlighted PSW's positive impact on facilitating cross-border trade in Pakistan. He explained how PSW's integration with DRAP enhances transparency and streamlines processes for pharmaceutical products' supply chains, as well as the pivotal role of PSW's Integrated Risk Management System (IRMS) in accelerating and securing trade clearances.

Pakistan's trade landscape is undergoing a significant shift from WeBOC to PSW, reflecting the government's commitment to digitalization and enhancing cross-border trade efficiency and Pakistan. Unlike WeBOC, PSW's comprehensive approach streamlines cross-border procedures across various Other Government Agencies (OGAs) involved in cross-border trade, minimizing paperwork and office visits for businesses while improving transparency and positioning Pakistan as a more attractive trade partner globally.
